Unique – Hope Air is Canada’s only nation-wide charity providing free flights to people who cannot afford the cost of an airline ticket to get specialized medical care outside their home communities. Since 1986, we have arranged flights for people of all ages, with all illnesses, from all across Canada.

Free – If you need to travel to a medical appointment, Hope Air may be able to arrange a flight for you: Hope Air is proud to provide all flights to our eligible Clients completely free of charge.

Eligibility – We arrange flights on Canada’s national and regional airlines and on private planes. We may be able to help you if...

- You are flying for a confirmed, approved medical appointment (e.g. treatment is being covered by your provincial health plan).
- You are unable to afford the airline ticket.
Hope Air serves people in financial need: we will follow up with a phone call to obtain financial details for your household.
- Your doctor(s) confirm you are medically fit to fly.

Accessible – If you wish to request a flight, or if you wish to refer someone for a flight, complete a Flight Request Form on our website: www.hopeair.ca

*is committed to the prevention of diabetes
and its related complications.*
