# CALL FOR ABSTRACTS

## 2023 National Indigenous Diabetes Conference

We are pleased to announce the Call for Abstracts for the upcoming 2023 National Indigenous Diabetes Conference, which will take place on November 21<sup>st</sup> to 23<sup>rd</sup> at River Cree Resort & Casino in Enoch, Alberta (Edmonton).

**Please note:** ALL that are accepted must be willing to present **in person** and travel to Enoch, Alberta (Edmonton).

### Conference Theme:

A Diabetes Journey: Working together towards Wellness.

### About the Conference:

The National Indigenous Diabetes Conference hosted by the National Indigenous Diabetes Association aims to bring together lived experienced individuals, Aboriginal Diabetes Initiative Workers, Indigenous front-line workers, leadership, Community Diabetes Prevention Workers, diabetes educators, health managers, dietitians, nutritionists, nurses, researchers, industry, and government representatives to learn about and share practices in diabetes prevention and self-management among Indigenous Peoples in Canada. The conference will serve as a platform to exchange knowledge, discuss innovative strategies, and explore culturally appropriate solutions for diabetes prevention and management within Indigenous communities.

### Submission Fee:

There is no fee for submitting an abstract.

### Submission Deadline:

Deadline for Applications: August 31<sup>st</sup>, 2023, 11:59 p.m. CST

Notification to Applicants: September 15<sup>th</sup>, 2023

### Submission Method:

Please email submissions to [conferences@nada.ca](mailto:conferences@nada.ca).

## Submission Method:

## General Guidelines:

- There is no limit to the number of abstracts an individual may submit.
- Abstracts containing identical or nearly identical data submitted from the same institution and/or individuals may be disqualified.
- Submission of an abstract constitutes a commitment by the author(s) as to the integrity of the data and that they agree with the submission.
- If the research presented in the abstract has been funded or supported, in whole or in part, by a grant, please indicate so during the submission process.
- 
- Abstracts should be written and submitted by physicians, researchers, trainees, healthcare professionals or patient partners. Research funded by industry that has been approved by a Research Ethics Board, and for which the principal investigator/principal author is not an employee of the funding company, will be accepted for review. Abstracts submitted by pharmaceutical companies, or device companies, with employees as principal investigators/principal authors WILL NOT be accepted.
- If submitting a related abstract to multiple national and/or international meetings, please ensure that you are fully aware of the submission guidelines and regulations for all meetings.
- All abstracts must be submitted in English.
- Submitters can submit

### *Best Poster Award*

The 15th Annual Ottawa Conference will include an award for best poster. The person judged as preparing and delivering the best poster will receive an award of recognition and a cheque for \$250.

**National  
Indigenous  
Diabetes  
Association**

**Association

du diabète**

**202-160 Provencher Blvd.  
Winnipeg, Manitoba  
R2H 0G3  
(204)927-1221  
nada.ca**

Posters displayed at the conference will be judged by the Ottawa Conference review committee, with the best poster selected based on the following criteria:

- Originality
- Design and methodology
- Supporting data
- Quality of presentation

### ***Rapid Fire Oral Presentations***

Each presenter will have only five minutes and only three slides to summarize an innovative research project or other topics related to smoking cessation. This fun yet formal platform offers great exposure to presenters and gives delegates a snapshot of the extensive and novel work taking place in the area of smoking cessation.

#### ***Best Rapid Fire Oral Presentation Award***

The 15th Annual Ottawa Conference will include an award for Best Rapid Fire Oral Presentation. The person judged as preparing and delivering the best rapid fire oral presentation will receive an award of recognition and a cheque for \$250. Oral presentations will be judged by the Ottawa Conference review committee, based on the following criteria:

- Originality
- Design and methodology
- Supporting data
- Quality of presentation
- Presenter stays within allotted time

All authors' names and affiliations/institutions will be requested during the submission process and should not be entered in the abstract text section

6. Five keywords that best describe your research:

7. Presentation Title:

**National  
Indigenous  
Diabetes  
Association**

**Association  
nationale  
autochtone  
du diabète**

**202-160 Provencher Blvd.  
Winnipeg, Manitoba  
R2H 0G3  
(204)927-1221  
nada.ca**

**8. Abstract:**

Please submit a 200-word maximum abstract describing your research:

**9. Is there any other information you would like to include?**

All authors' names and affiliations/institutions will be requested during the submission process and should not be entered in the abstract text section
